“ Papa where do I even begin to write anything down with all the incredible memories and time we spent together. You were not just my papa you were my dad that stepped up and always protected me, supported me, and loved me unconditionally no matter my wrong doings. You were the best grandfather and great grandfather to me and my kids and we all love and miss you so much! We know you are with Bryce and watching over us always! Love you so much,
Your loving granddaughter
