My sweet Becky I am so sorry my dear that you are going through this now. I have been praying for you since the day I heard. I pray that one day you will find peace in your heart I love you and I am here for you. I pray God gives you the strength that you will need to go forward in life. I know that he is watching over you and those beautiful girls you have there. Although I never got the chance to meet Omar I wish him peace in eternity and may the perpetual light forever shine on him.

My deepest and most sincere condolences to the Sanchez family, I saw Omar and his sister grow up into wonderful young people we never expect to get such sad news of the one we hold dearly in our hearts to pass, I know this is just a part of life a part we wish to hold off for as long as we can but in all it's God's las word and purpose and for that I hope that God also give you all the strength to accept the things we cannot change. Blessings from the Martinez/Feliciano family
