“ I wish to extend my condolences to all family. Pal was at Swri when I started there; she was so kind and friendly to all. She used to bring us homemade biscuits for breakfast. She later held a prayer meeting at lunch time at Swri. She will surely be missed. From Peggy Prado

Such a beautiful and kind woman. She was in the Payroll Department when I was hired @ SwRI. She presented the Payroll information at my Orientation. She was right around the corner of the Contracts Department, so I saw her often and she was always happy and helpful. She was a gracious lady. One of SwRI's finest. She will be missed.
