“ My heart broke when I heard the news. I'll always remember the summers and spring breaks spent camping or spending weeks at a house I learned the layout to just like I knew my own. Learning to drive and almost taking down your carport. Bringing my kids to the small country town that holds so many memories. My aunt who I only found out wasn't my biological aunt when I was 14. Regardless you were always my aunt. I'll cherish the memories and I know I'll see you again. My thoughts, love and prayers are with you Dewayne. ❤️

“ I shall always remember my lifelong friend. I have lots of good memories. From weekends of fishing and camping, putting up 84 quarts of chow chow in one day to going dancing where Gerald played in a band with Tommy Vick. Playing card games with the kids and watching them grow up. (Can't play rook with Gerald!) So so many memories. I'll see her, Gerald and Johnny one day again. Wish I could be there Sat. My thoughts are with you. Love you Dewayne.
