“ *My deepest and most sincere condolences to the Candia and Quinones family. Oralia had a beautiful smile and a warm heart. My last memories of her were at my brother, Conrad's birthday party back in February. Now she's having fun with the angels and her big, brown eyes will be looking down on y'all from above. Continued prayers for all of you. 🙏💜 Much love and many blessings, Deb Barbosa and Family*

“ My comadre and cousin was a loving, funny, caring woman. My daughter Bethany was lucky to have had her and Orlando baptize her. Oralia and Orlando always made sure to make her special to them. Oralia we will miss you so much on her special day, but we will make sure your honey, she always called him that, will have a special moment to share with her in memorial of you. My heart aches but content to have you as our angel. Love always Christine, Bethany, Shelby, Ernest, Amber, and Lil Ernest.

“ To Oralia's family,
I had the honor of working with Oralia for the past 17+ years at West Corporation, now Alorica. Everyone who worked with her knew how proud she was of her family and how very much she loved you all. You were her world. She was a beautiful person with a kind, loving, and genuine heart. Her smile was contagious and her laughter so joyful. She was always positive and quick to help anyone who needed anything. There are no words that can begin to express how much she will be missed. Our thoughts and prayers are with you all. Praying that you'll find comfort in your memories of her and in the knowledge that others are missing her, too.

“ To Oralias Family
We are very saddened to hear of Oralia's passing. She was a very loyal and valued employee of West Corporation for over 20 years, who took great pride in her work. It is difficult to find the words to express how much such a wonderful and caring person shall be missed. Her radiant smile and great sense of humor brightened everyone's day. Oralia was very special to us, and we will always treasure her memory. Heaven has a beautiful angel.

May God bless you and grant you peace.

“ My heart goes out to all of the family. Oralia was a very family oriented woman. We talked about our families together so many times. I worked with Oralia for more than 20 years, When I was promoted to admin assistant 17 years ago is when I really started getting to know her. I will miss calling her saying don't get mad at me! And she would laugh and say oh man what did you do now. I will miss our chats together, and her coming to my desk on Jesse's days off delivering the mail. The last conversation we had together we were laughing so much. I had posted a photo of myself on facebook and used a filter right after I dyed my hair and it made my hair look almost white, but looked really nice, and she posted to me I looked so pretty. Well, she hadn't seen me in person since I dyed it and didn't know I used a filter on my photo. So, when she dropped off the mail she said Hey your hair is blonde and I said yes its been blonde remember and she said ya but on the photo is looked white and I said it was a filter and she said ohhhhh duuhhhh and we laughed at my desk and she said but it still looks pretty though. Lol That was the last conversation I had with her. I will miss you so much Oralia but you will live on in all of our hearts and in our memories.....

“ I was a Corporate Director for West back in the late 90s and early part of this century. Oralia was a part of my group. Even though it has been fifteen years since I left West and San Antonio, I still have vivid memories of Oralia's sweet spirit, her winning personality, her contagious smile and her total commitment to customer service. She loved her husband, her children and her God. RIP Oralia. You will always be remembered. David Geraldson
