“ Wayne and I were coworkers at Kelly AFB for over 25 years and carpoled together for many of those years. Loved hearing his stories about growing up in Oklahoma, hunting, raising kids, collecting license plates, etc. We had some great times together. Will miss you very much my brother. Rex Hill

As a fellow ALPCA member, I had the pleasure of exchanging plate restorations for rare restorable plates provided by Wayne. At his urging, I finally managed to attend a national convention to meet him and his wife in person. He will be missed.
