Our late night talks on the bench. You giving me advice that I never listened to. I should of. I remember him asking waitresses for his complimentary belly rub. I miss you so. “ I have known Oscar over a year now. I met him dancing country with his sister Adriana and we all became good friends. My fond memories of him is the quality time we spent together going for a drive, eating out, talking about his motorcycle racing, and hanging out with him in his garage while he worked on my car or on his motorcycles. I used to love to listen to him talk about his passion as much as he enjoyed explaining what the different parts of the engine does. With the rodeo going on right now reminds me when a group of friends went to the rodeo with Oscar. That's where he bought his black cowboy boots. We saw Midland n concert and we all sang the Drinking Problem song. It was a great day, happy times, and he will be truly missed. I am glad we remained friends to the end. I loved my friend.

“ I had the pleasure of working with Oscar throughout his career at Trapeze. His passing leaves a void that cannot be filled. His humor was one of a kind and there wasn't a time we spoke that I wasn't laughing. I will be forever grateful to have had the pleasure of working with him. My deepest sympathies to everyone who was honored to call him family or a friend.
