Oscar Gamez of San Antonio, left to be with our Lord on February 8, 2021.

Oscar was born in San Antonio on July 5, 1950 to Juanita and Damacio Gamez. Oscar is survived by his wife of almost fifty years, Brenda Gamez. He has 4 children along with their spouses: RoseMarie and Tom Crow, Kimberly and Marcus Starks, Cynthia and Cory Jones and Damacio and Denise Gamez, along with their 13 grandchildren.

In addition, Oscar had 7 "Bonus Children." Craig Brunotte, Charles Mason, Benaiah Larison, Kenya Williams, Susan Radlein, April Muniz, and Julie Morin, along with their families.

Oscar had retired, but never truly stopped assisting and helping others. Should anyone need help, he was always right there to fix or repair whatever they needed. His hobbies included making wood crafts and gardening, but his biggest hobby was spending time with his grandchildren. They were very special to him, and he could not have been prouder of each of them.

Remember to follow all social distancing guidelines and wear your masks. Due to Covid-19 restrictions, the in person Funeral Service will be private,

however, it will be a virtual event. Look for the website information to come soon. Again, due to Covid-19 restrictions we respectfully ask that you refrain from personal appearance to their family home!

“ *My Poppa, I am the man I am largely in part to his guidance and example. Him and Momma Gamez took me in and showed love to me when I was lost in heart and spirit with little to no faith and trust in anyone. I am eternally grateful strive to be the man and son they can be proud of and worthy of the Love given me. Miss you Poppa*

“ Bill and I are so blessed to say we had Oscar in our life. Bill had a very serious surgery about 3 years ago. I will never forget Oscar telling me that he was going to be with me in the hospital since my dad was in Heaven. He said honey you need a dad with you. He prayed with me and he made me laugh as we waited. He was so right in saying I needed him that day. I was blessed later to be able to help Rose guide him through treatment of some of his medical issues when he was at University Hospital and when home. He called me Tia and I still have text on my phone saying OK Tia I will do it. He was the kindest man and gave hugs that lifted your stress right away. He was truly a man of God and has truly made Heaven a little brighter with his presence.
