“ *I was privileged to work with Oscar through “TabWare”, a part of AssetPoint. He taught me many things not only about the software but how to enjoy a long days work with ups and downs but always walking out with a smile! I know you will truly miss him but know he is leading someone with a smile and chuckle and making their day better for having known him.*

“ *I fondly recall all of the fun I had with my brother Oscar in high school band when I was a freshman and he was a senior. When he gave me driving lessons I ran his Ford Fairlane into the side of our garage but Oscar remained calm and was not frazzled. I'll miss our phone calls and hearing your voice and laughter.*

“ My condolences to Margo and the rest of Oscar's family. Oscar was a good friend, but more importantly, a good man. I worked closely with Oscar for many years at AssetPoint where he served as a software implementation consultant. Oscar traveled to customer sites around the world to help our customers. He was truly loved and respected by not only our AssetPoint family but also by our customers. I appreciate all that Oscar did to help me personally in my work and to brighten my life. I will miss him very much.
