“ Thank you for being the best grandpa to my sisters and I. I am so proud to be your granddaughter. I have so many memories with you that I'll always cherish in my heart forever. All the little things you did for me mean more to me than you'll ever know. I'll always be grateful for it all. I see so much of you in my dad, aunt, uncle, cousins and siblings. It makes me happy to see parts of you still surrounding me. I love you and miss you so much.

“ You will be dearly missed. Thank you for being the best father-in law and greatest grandpa to my girls. You never hesitated when we needed your help. You were always there for us. From picking up the girls from dance class, school, or entertaining them with a trip to the mall or store. Thank you again for everything. I will miss your beautiful smile and kind heart. My condolences to my extended family the Castillo's. May God give you strength and peace during this difficult time. - love Becky Castillo
