“ Dear Pam,

*I am so sadden to have seen your lovely picture in the Sunday newspaper. Just knowing that your children and Russell will have many, many memories and photos is a warm-fuzzy comfort. And, you leave the posse, the Tar family, Barton family and the then Howard family, stunned.*

*Amazingly, I have to say: this picture looks exactly as you looked in '78! Someday, you must tell me how you pulled off this wizardy trick. Until that time, just know that every person you came in contact with, will miss you.*

*I hope the flowers are the right blue,*
