“ I had the pleasure of meeting Pam a month before her death. I can still remember her beautiful smile, the twinkle in her eyes. She was a beautiful lady. Fly high beautiful lady fly high

“ *I am a distant cousin of Pam's mother Sherline. She and I go back to when we were little girls. She would come home from Texas and I would be so excited to visit with her. I am so sorry about Pam. I know she is in a wonderful place tonight. Please give my regards to Sherline. With Love, Frogene Normand*

“ *In 2007 I discovered through genealogy research, that my husband was related to Mary Sherline, Pam's mamma and I made a special point of meeting up with them in 2011 while visiting our son in San Antonio, Texas. It was a delight to be able to add more family to the tree and I immediately took a liking to Pam because she was so spirited and witty and we soon became friends online through facebook. I haven't known her as long as so many others have, but I am so grateful that I was able to be her friend for the last 6 years and to call her our family. God inherited an awesome angel in heaven and I know she will keep him on his toes. RIP Pamela...love you!*

“ I worked with Pam on a specialized unit at Prudential for guru's in systematic data. She was the sweetest woman, always laughing and extremely intelligent about our work. God definitely gained an Angel this week my deepest sympathies.

“ Pam and I started our Prudential career in February 1988. We went through training together and became very good friends. I will always remember the fun times and the not so fun times we shared. She loved her husband, John, and was so proud of her daughter, Brandee, and her son, John, Jr. She loved her grandchildren and would often speak of them when we chatted from time to time on the phone. She will be greatly missed. My thoughts and prayers are with her beloved family.

“ I worked with Pam at Baptist. We were on a project together and ever since have been friends. She had a better memory than I did because she remembered my father and brother in law from when we were children. I had no idea our families knew each other. Pam was hilarious and I loved being her friend. She blessed my life and I am praying for her loved one.

“ Pam took me under her wing 20+ years ago when I was young and started working with her at Prudential. We clicked instantly and had remained friends since. Pam was a beautiful, fun, say it how you feel it kind of friend that I will forever remember. Prayers to the family
