

Pastor Pat DuBois

June 30, 1950 - April 13, 2018

Pastor Pat DuBois celebrated his first birthday in Heaven on Friday, April 13, 2018. He was born on June 30, 1950, at Fort Polk, Louisiana, where his father was stationed in the Army. Patrick graduated from New Braunfels High School in 1969. He and his wife, Shelley, were married in 1975. He served in the United States Air Force for four years and then attended Pittsburg State University in Pittsburg, Kansas, where he graduated with a Bachelor's degree in Education with an endorsement in Special Education. After that, the couple returned to Texas, where he taught in private and public settings. A beautiful son, Eric, was born to them in 1986. In 1991 he received his Bachelor's in Theology from International Bible College and he was ordained in 1992. He and his wife have served in ministry since that time. He founded Leon Valley Community Church, formerly Horizon Church. He was honored to serve as chaplain for the Leon Valley Fire Department.

Pastor Pat had a passion for people and a desire for them to have God's best in this life. He was an encouragement to everyone he met and a reflection of true love and acceptance. He taught us that God's Word and his promises are true and are available to us today. He believed it so much that he was moved to author a book, *A Pilgrims's Journey...Towards God's Success In Life*. It's the Word, it's the Word, it's the Word. He loved life....God, family, church family, country, and Harleys.

His parents, Bill and Elsie DuBois and his brother, Bill, Jr. preceded him in death.

He is survived by his wife, Shelley; his sons, Eric and his wife, Bianca of Fort Bragg, North Carolina; Aaron and his wife, Heather of California and Michael Pollard and his wife, Allyson of New Braunfels, Texas; 2 grandchildren, Eric, Jr. and Ella; his brother, Michael and his wife, Denise of Salina, Kansas.

“ Dear Shelly and Family. I just recently learned of Pat's passing. I am so very sorry. I was lucky enough to see Pat after all these years when he was in Parsons last year and Bill Mills brought him by. He was exactly like I had remembered him. We talked and laughed about some of the kids we had worked with. I have very fond memories of when we worked together at the state hospital and of course all the parties we all had together! Remember when he went as Mongo to the Halloween party!! Pat was one of a kind and he could always make us laugh so much! You are in my thoughts and prayers. Again I am so sorry to learn of your loss and all who knew him will greatly miss him. Peggy Malicoat-Gentry

“ I am saddened to hear of the passing of Pastor Pat. He was the first person after I went to jail who believed in me and placed value on me as a person. I did not know of his death until just now (5/2/18). I give Shelley and Eric my prayers and love. Pastor Pat set me on the road I am now on, even if it took me a long time to get moving, with the Bible passage he spoke over me way back when the church was in a little office building. The chapter may encourage some of you. It is Isaiah 54. Pastor Pat was a father to me that I never really had and truly taught me the love of Jesus. I will miss him so much and am now fighting back tears as I type this in a Texas Workforce Solutions office. Jesus transformed my life through Pastor Pat's love and encouragement.

“ I was saddened to hear of Pat Du Bois’ passing. Reading the memories of his church members and those whose lives he impacted fills me with such joy. We were classmates and I remember that young boy that young man how much fun he was and what a great friend he was. It fills my soul to know that he was a great man of God for as we grow older, Lord willing....we will all find that path to Jesus. I am so happy to know, that was his destiny. I too look forward to seeing him in our forever home. 🙏❤️

“ My sincerest condolences to Shelley, Eric and the rest of the DuBois Family. I love Pat so much like a brother. He was truly the first person in Texas to help me accept the grace of our Lord. Jesus used Pat to reach me more than anyone else ever could. If it weren’t for him, I don’t know who the Lord would have used. Pat was so open and honest about his own life—using his past to witness to others just as the Apostle Paul did. I wish I had truly expressed my gratitude to him more in this life. Guess I’ll have to wait till I see him in our Forever Home.

*Dear Shelley,
I am shocked. Here it is June 19th and I just learned. I am stunned. Gosh-Pat and I as you know go way back to high school In New Braunfels, Tex , Texas State College and the past 4 years with nutritional formulas. He was always willing to try something new. I have a copy of his book and will reread it beginning today. So the next time we will meet will be on the other glorious side. I will pray for you and your family. Love-Cissy Grill*

“ I cannot even think of your passing without crying. You were the best brother-in-law I ever had. I have so many memories of your laughter all the time. You were always so happy and loved the Lord. All of our visits together are now memories for me. Our last visit on the phone you really wanted to go to the casino when you were going to come back and visit us in Kansas when your cancer treatment was completed. So now that you are in heaven have fun doing your hearts desire. Because I'm sure there are casino in heaven. I loved you very much and it will take a long time to get over you being gone. You left us so sudden and we weren't prepared for you to go. But I guess God needed you to preach in heaven for him. So sad that we can't be at your Memorial but I'll be there in Spirit. I love you so much.

“ Pat was always a happy person when I have been around him. We were good friends in high school, where I met him. We lost contact until a few years ago and I was inspired by his love for the Lord.
