“ *Our deepest condolences for a bright and beautiful light in our family extinguished far too soon. Pat was and will always be an extraordinary and loving soul. Those lucky enough to call him a brother, uncle, father, grandfather, husband, and friend will be forever blessed for having had such a precious gift touch their lives. May the memory of his captivating smile and joy he brought to all be enough to carry his loved ones through this most difficult time. It greatly saddens us that we cannot be present to join our loved ones in remembrance and to wish you farewell until we see you on the other side. We hope the flowers we send capture the essence of your vibrant spirit, and the angel will be a reminder to Aunt Donna and all that you are always looking upon us from above. You will be forever missed and remembered with the utmost fondness by all you knew; we love you Uncle Pat.*

*With all of our heart,  
Paige & Eddy Munro*
