

Patricia H. Clements

February 7, 1944 - November 5, 2019

Patricia "Patty" Hearn Clements passed away on November 5, 2019 at the age of 75. She was the first-born daughter of Staff Sgt. Thomas G. and Bessie M. Hearn in Marlborough, Massachusetts. She earned a degree in nursing in 1964 in Malden, MA. She moved to San Antonio to start her career and met Gerald Clements, an Army Private stationed at Fort Sam Houston. They were married in 1966 and together they raised two children, Nancy and Jeffrey Clements. While working and raising her family, Patty returned to school to earn her Bachelor of Science in Nursing with honors at the University of Texas at San Antonio. She practiced nursing at Baptist Memorial Downtown Hospital where she worked in the medical intensive care unit for her entire career.

Patty had many hobbies and interests through the years including camping and music, especially classic country, and 50s music. She played the piano, guitar and accordion, and sang in a band while she was in nursing school.

Later in her life, she enjoyed gardening and spending time with her family and fur babies. She followed Texas Rangers baseball and Spurs basketball, horseracing and ice skating, and loved watching old movies. Her memory lives on in the hearts of her family - her husband, children, sister, Nancy Hearn Bryan, brother-in-law Bill Bryan, son-in-law Brahim Noussairi, and grandchildren Ryan and Leila Noussairi.

Visitation will be held Friday, November 15 from 5 p.m. to 7 p.m. at Mission Park North, 3401 Cherry Ridge Drive, San Antonio, TX 78230. Graveside service will be held Thursday, November 21 at 1:15 p.m. at Fort Sam Houston National Cemetery, 1520 Harry Wurzbach Rd., San Antonio, TX 78209.

“Mrs. Clements was one of my first clients. She almost threw me out the first time we met because of a price difference of a couple of dollars: she was a shrewd woman you did not want to cross! As she was escorting me out by my scruff, I asked one simple question that piqued her curiosity. She informed me that despite my company’s pricing inadequacies, I was “permitted” back the following week. A long friendship ensued.

Once you earned her trust, she was one of the most caring and loyal women you could find. Over the next two decades, she shared stories about car trips to visit her mother and trips to Las Vegas; she gave me tours of her garden; and she tried to indoctrinate me into the world of horse racing through the mounds of information she had amassed on the various horses.

I am going to miss calling her on February 7. I am going to miss the stories of her children and grandchildren, which you could tell she loved very much. But most of all, I am going to miss the way she would maintain her cautious exterior until she decided it was time to flash that beautiful smile and let me know everything was right in her world!

Blessings and condolences to the family.

I had a "crush" on Patty in Linden Elementary School and Browne Jr High. I loved her singing. Galway Bay and Someone's in the Kitchen with Dinah are what I remember most. She was a heck of a bowler for a girl at that time and I asked her for a bowling date. We took the bus in and bowled at The Charles Street Bowl-a-drome. At the time I had a candlepin average of about 100. She beat me haha. We never "dated" after that. Not sure why. Can't remember, but I have thought of her often. Gerald was a lucky man to share a life with her. Gerald {coincidence} "Gerry" Abbott -- San Jacinto, California
