

Patricia Anne Garcia

January 12, 1961 - February 20, 2024

Our beloved sister, Patti, passed away peacefully on Tuesday, February 20, 2024 surrounded by her family. Patti was born in San Antonio, Texas on January 12, 1961 to Carlos and Eva Garcia --the youngest of six children. After graduating from Thomas Jefferson High School, she studied at the University of Texas at San Antonio. In 1987 she earned her Bachelor of Science degree in Mathematics and began her career teaching high school Mathematics at Sam Houston High School. She was a big supporter of the school's sports teams and band as well as their AVID program. Patti also taught at Highlands High School, Stevens High School, and Holy Cross Catholic School. Her students were her number one priority, and she always went above and beyond to help them. She continued teaching until December 2023 despite her breast cancer diagnosis in 2012. Patti loved her God, family, friends, students, pets, and baseball. She frequented the SA Missions games as well as many school and Fiesta events. She is survived by her siblings Carlos Garcia (Lydia), Dolores Kirian (Richard), Lori Valdez (Robert), Daniel Garcia (Janie) and Imelda Garcia, numerous nieces and nephews, great-nieces and great-nephews and many wonderful and loving friends. She will be deeply missed. We are grateful to God for the gift of her life. May she rest in the loving arms of her Creator.

Visitation will begin on Friday, March 8, 2024, at 4:30 p.m. with a celebration of life service to begin at 6:00 p.m. at Palm Heights Mortuary.

“ *Offering my heartfelt condolences and support. May your sister's soul find eternal peace. May God continue to comfort all of you and give you strength to cope with the void her absence has left in your life. Your sister's legacy of love and laughter will continue to brighten your lives. I'm so glad I got the chance to visit with Patti and family this past December. God bless all of you ❤️*

“ Patti was full of life. She lived it as she wanted. I had the pleasure of spending some time with her. Giving her advice on how to change her look a bit when she had a boyfriend. Taking a club ride in her mini Cooper. Haircuts. Altar Society. The one funny thing i remember was when she came to the apartment while i was baking and felt she needed to help. So i happen to be making bread for the priests and asked her if she could fold the egg whites into the batter. I even showed her what is was to fold. Well she started whipping it, i said nothing, baked it, cut it open. Low to my surprise there was a tunnel through the bread. I never laughed so hard. I knew she was no baker. Although she was a sweet person and well loved by all. She will be missed by many in many different ways. Now she has joined her mom and dad once again. There they will comfort and love eachother again. May the Lord be with her family always. Thank you for letting me come to visit and spend time with all of you through her final days. Love you all. Yvonne Gunderman....🙏😊
