“ *Cousin, I will miss you dearly! You were my rock and listening ear no matter when I called or sent you a text. Our late-night Facebook conversations and the many loving and kind words and prayers you sent to me daily helped me through some rough times. Thank you for being "that" cousin. The one who was attending all of the family get-togethers no matter if it was a long bus ride or by plane. I LOVE YOU and will keep you forever in my heart! To my cousin/brother Herb, I LOVE YOU and pray that we can all see one another soon!*

“ Big Sis, I Love You and I miss you. You baby sat me, you cared for me, you disciplined me but most of all you loved me as your own. You were funny because after I had my daughter you would always say, "give her to me, send her to stay with me." That was you saying I will love her just as I loved you. The memories we shared growing up and just hanging out between Normal and Eggelston will never be forgotten. You are home now with your Mom, brothers, Mr. Pitts and so many more. So wear your crown Big Sis, you earned it. I Love You.

“ *Love at Home*
There is beauty all around
Where there's love at home;
There is joy in every sound
When there's love at home.

Peace and plenty here abide,
Smiling sweet on every side;
Time doth softly, sweet glide
When there's love at home.

The Family will miss your Love back at home!
Rest In Peace, Trish! Love The Murry Family!

“ Trish and I were first cousins. I love her like a sister. When my uncle and aunt visited Greenville during the summer, I was so very happy to see Trish. Our parents called us twins, because we went everywhere together.

When she moved to Texas, I was happy.

Over the years we stayed in contact, and returned to Mississippi together from time to time. We were so happy because I retired in May, and we were planning to visit each other. My heart is saddened. But, God will see us thru this.

“ Mrs P, as we and the whole neighborhood knew her as, was a wonderful and beautiful friend of our family. We had the pleasure of being neighbors with her for 17 years. We kept in touch with her even after we moved out in early 2019. She will be missed by us immensely. Love you Miss P
