Patricia Ann Lozano-Centeno, loving mother and friend, went to be with the Lord on September 8th, 2019. Pat was born to Mary Alice and Raymond C. Lozano, Jr. on March 1st, 1960. “ *Pat was a friend, a sister, a mother, a mentor, and a teacher to me. She was a vivacious, brilliantly resourceful and a passionate mother to her two children. She made juggling motherhood as a single parent and a professional career seem easy. It has been privilege to know her. My deepest condolences to all of her family and her very close friends.*

“ Pat graduated from St.Marys as did I, so we would share some memories of college. I also remember Pat always speaking so proudly of her children. She also never hesitated to help me at work with complicated processes (DRISC) which she was a pro at.

She had a huge heart. Her family came first to her and anyone could see that a mile away. Her kids, her parents were her world and she ALWAYS put others before herself. She will be missed by all of us at SIRIUS. Our team members are like family, you spend the most time at work with your co-workers and it will not be the same without her.

Let's remember her and honor her memory with the good times, sweet memories and sharing stories.  
Much love and thinking of her family.
