“ *Not a day passes that Mom or I one don't think of you. Funny how much of a void is left without you. I know you are with Taylor and that gives me comfort. Mom needs y'all angels to help her now, I'm not ready to let her go yet. I miss you sis, need you to tell me to cowgirl up! Never knew I'd miss you this much. Love and respect to you Patty, thank you for all you did, caring for ALL of us. Beki*
