

Patricia Carol Phillips

September 23, 1933 - April 13, 2026

Patricia Carol Phillips, formerly of North Richland Hills Texas, passed away quietly on Monday, April 13, 2026, at the age of 92 in San Antonio, Texas. She was born on September 23, 1933 in Pasadena, California to parents Benton and Ethel Brown. She married the love of her life, Glenn, May 4, 1951 and was married to him for 72 years.

She is survived by her beloved children Karen Anfinson (David), Steven Phillips (Denise) and Michael Phillips (Kathy), 8 grandchildren, 20 great-grandchildren and 4 great-great grandchildren.

Mom was a dedicated stay at home mother. She was an avid seamstress, gardener and in later years, was always knitting an item to donate to local hospitals for preemies. She volunteered at Menomonee Falls Community Hospital as a “pink lady” for many years. That position was perfect for her because she loved talking to people. Never met a person she couldn’t strike up a conversation with! If she started talking to someone about the travels she and Dad took later in life you’d think you had been there yourself!

She didn’t totally love to travel when she was young but Dad started getting transferred around for his job. So she moved from her home in sunny California to snowy Wisconsin, then to Saudi Arabia, Kansas and finally settled in Texas. They lived there 38 years before the final move to San Antonio. They were privileged to share so many memories and experiences all over the world together through their travels. Her favorite place was Switzerland but always thought Hawaii was so beautiful.

Mom loved her family deeply and had great affection for her animals, especially Kelly and Misty.

Pat is preceded in death by her Mom, Ethel Brown, her Dad (Benton Brown), her sister Margie, her grandson Christopher and great-great grandson Hudson.
