“ Patti, We miss you so much and Billy says it's too quiet here without you. You were such fun!! Thanks for all the laughs, your beautiful smiles, and wonderful memories. I know you're in a better place, pain free and united with Roger again. Marley is in a good home and being spoiled just like you wanted. I will miss our wrestling over who's going to pay meals, playing tug of war with the contents of our shopping baskets that we each wanted to buy for the other one, chilling on the porch or in the hammocks, acting like we are younger as we laughed until we had tears, spending the holidays and birthdays together. My grandkids (and my kids) love and miss you too. RIP and I love you!!
