“ I met Trisha when I was 11 years old. I grew up with her and all her family. As my family disowned me Trisha welcomed me with open arms and never let me go no matter how crazy i was or who I was with or how i acted..

Trisha was a beautiful person with a beautiful soul and mind. She never judged noone she took care of kids that was not her own n raised them to be strong and big hearted beautiful people. She lost alot and I pray that her soul is finally as peace and rest. She was stong in the lord and theres no doubt that she is in the gates of heaven with her loved ones. I will miss u Trisha u gave me a big family and strong faith in my self and in God and I WILL ALWAYS LOVE U AND THINK ABOUT U... Rest in Peace my wonderful soul sister!!!!

“ Tia,

I just want to say Thank you for everything you did for us. You were always there for us when we needed it the most. Everyone could always depend on you. You were always there ready to help anyone if you could. You always listened and gave advice if needed. It may have been words of encouragement or constructive criticism (Tough Love) you gave it with the best intentions. I'm going to miss our long talks, no matter what time I called you answered. I know Dj and Dom are too young to understand but rest assure that we will make sure they will always remember everything you did for us. We're going to miss your big hugs and just going to hang out with you. Thank you for always taking care of Barb, Dj & Dom and of course myself. I am sad to say Goodbye but I'm happy to know your at rest in a better place, no more worrying or sickness. I love you Tia, I know your happy now that your with Tio again. He's probably saying here comes Trisha let me turn down my jams. Ha! We will never ever forget you Tia, we Love you and you will forever be missed.

Love Always

Your Nephew

“ *She welcomed my family into her home and made us a delicious Thanksgiving dinner in 2016 even though we had never met or spoken before (my oldest son was dating her niece). She was very warm and welcoming, and always showing her faith in Jesus. I believe that she is dancing with Him now.*
