

## Patrick Gavlick

July 15, 1953 - February 22, 2024

Patrick David Gavlick

Pat was born on July 15, 1953, in San Antonio TX. He passed away peacefully on February 22nd, 2024, at the age of 70. Pat graduated from Thomas Jefferson high school with the class of 1971. After graduation from the University of Texas at San Antonio, he began a series of jobs. At first Pat worked for his brother Mike in the home construction business. From that occupation, he went to work for Braniff Airlines, which he loved. He also worked for England Trucking Company, Mission Burial Parks, Pizza Hut, Marriott Hotels, and Woodforest Bank as an auditor. Traveling was his hobby. When very young, his parents would take him on trips to Colorado and New Mexico, camping of course. Later he went with them to Alaska-quite a driver. Pat traveled over the world and was quite impressed with the Great Wall of China. He saw most of the major mountain ranges but was not able to see the Andes Mountains in South America, which was the only one that he couldn't make due to his health reasons. Pat was able to live his later years in the home on John Page where he grew up, and seldom ventured too far away from it. He was preceded in death by his parents, James and Lois Gavlick, and his older brother, James Michael Gavlick. He is survived by his daughter Ryann Verduco, his sister-in-law Maureen Gavlick, his nephew Christopher Gavlick, and his niece Kimberly Wylie. Pat loved his extended family of numerous cousins and many friends. A special thank you goes to his friend

Sue Farmer and his cousin Patricia Potts for all the help and love they gave Pat in the last months when he was so ill. Patrick will be missed, but knowing he is no longer in pain makes us happy. The pallbearers will be Jeff T. Potts, T.J. Gavlick, Charles Hughey, William Hughey, Donnie Pickens and Tommy Gavlick.

“ Rest well dear Pat. I'm grateful you watched out for me as a Braniff baby in NY and remaining one of the most enjoyable friends thru these years. I'll always smile when thinking of you and pizza. I'll miss my dear friend...until we meet, again.  
My condolences to all the dear family and friends blessed to have known you.

“ *During our school days, I always remember Pat as somewhat mischievous and happy. He always seemed to greet you with a big wide smile. He was just fun to be around. I'm sorry to hear that He was not well in his final few months. It's sad to see him go. You will be missed my friend.*
