

## Patrick Henderson

July 23, 1975 - May 1, 2023

Patrick Henderson age 47 of San Antonio passed away on Monday, May 1, 2023.

He is preceded in death by his Mother, Bobbi Henderson.

Patrick is survived by his wife, Erin; his sons, Darwin and Rob; his Father, Jim; his brother Sam; his sister, Katie; and many friends and family members who loved him dearly.

Patrick was a complicated man. He liked good books, obscure music, and cheesy horror movies. He loved animals and couldn't stop adopting pets. He was a huge nerd who loved Magic The Gathering and Japanese video games. He spoke mostly in quotes from The Simpsons. He was too smart and too funny for his own good. He acted like a grumpy old man but he was really just a big baby. He was a rock star. He was a doofus. He was a Husband and he was a Father. He will be missed more than he could have ever known.

A Celebration of His Life will begin at 7:00 P. M. on Monday, May 8, 2023 at Mission Park Funeral Chapels North, 3401 Cherry Ridge Drive.

“ Patrick was one of the very best examples of a human I’ve ever met. Caring and loyal, hilarious and mischievous, full of laughs, wisdom, and always with an ear to listen. A man I held in the highest of regards, despite only knowing him for ~5 years. He is dearly missed.

“ I only knew Patrick a short time at work but as others have said, despite his gruff exterior, he was a nice guy, always ready with a joke or humorous anecdote. A man with diverse musical tastes and more talent in that area than I will ever have. Goodbye Patrick

“ We just had a quick text chat on Thursday. So many stories... so many good times. I'll never forget our game night conversations on Erin's balcony... the times we played music and sang together... and your stack of amazing original songs. A wealth of music knowledge, I called you out of the blue once to ask, "who does that 90s song that goes '...poppieees'"? You answered "Marcy Playground" without missing a beat. Brother, you will be sorely missed.

“ I could share a story but this is an G or PG rated memory section. All my memories are NC-17 and R Rated ❤️. All kidding aside, I loved this man. We loved having his presence in our bubble. He cracked us up. He was the opposite of Grumpy. He was kind and generous. He was super smart and always had a good zinger or a quip. I was honored to call him friend and will miss him dearly.
