“ We came to know Patrick through his company Balloon Productions. He was our go-to guy for balloons decorations. His displays and creations were just like his personality, fun, colorful and they always added that special touch of happiness. He was such a down-to-earth, nice guy who always shared his beautiful smile with everyone he met. We will miss our conversations with Patrick and will always remember him every time we see a balloon. We send our condolences to his family and friends. Rest In Peace Patrick. May God welcome you into his loving arms. 🙏

“ So sorry for your loss. Praying for the family. I've know Pat since we moved to Cherry Ridge, I was 8. He was always so sweet and willing to help anyone in need. My brother and him were best friends.❤️❤️ I enjoyed our last lunch at Jacala. It was a few years ago. Miss his silliness . He always made us 😂 laugh. Love you Pat. ❤️ Rip

“ Sending heartfelt condolences to Patrick's family, friends and loved ones. I first met Patrick while working at a local nonprofit and later other organizations. He had a huge heart and was so giving to the community. I am sad to learn about his passing but know he will be a mighty angel helping to watch over us all. May the family find peace and comfort during this time.
