“ My condolences go out to all of your family, friends, band mates and coworkers. Especially to your mom, dad, son and grandson. You were taken from this world way too soon. You are greatly and will for ever be missed and carried in so many of our hearts. It was a pleasure working with you. You were a great soul down here always down to earth and rocking. The heaven gained an amazing angel, just hope they are ready for your jams and vocals up there. □ I will miss the moments when passing my office yelling out Rebekahhhh! There will be no other like you. Rest easy and fly high, Pauly D! RIP.

“ Please allow me to say to Paul's family that I can not begin to fathom what you all must be going through. I will say that I grieve with you. My sorrow is deep and my heart is heavy. The only words of solace that I can offer in this time of profound anguish, is the knowledge that the Lord our God has a plan that we can not understand. Only God knows what God has written for all of us, and we must accept it.

*Paul, as his brother Martin who passed before him, were good men that graced our lives, and we are better to have known them.*

*I will always have fond and everlasting memories of what his life and friendship meant to me.*

*Until I see my friend again. May Paul rest in the grace of our Lord.*

*DRUM ON SIR.*
