*Worked with Paul when we were at Valero Logistics. He was a great mentor to me when I started working at Valero. He taught me about Pipelines and Terminals as he maintained the database with all of these assets. It made my job easier to understand these assets.*

“ I'm so sad to hear the news of Paul passing, I worked with Paul back in the old Valero days, 1987 - 1995 in San Antonio. I finally had lunch with Paul when he was working at ETC in 2008 when he was back in San Antonio, great guy and always my friend. God Bless the family at this difficult time and my deepest sympathy.

“ Elida I am sorry to learn of Paul's passing, my condolences to you and your family. My prayers and thoughts are with you. I think back of all the good and bad times when we worked at Valero, some crazy times back then and then working in Houston and driving back to SA every weekend. It was tough, but he did it for his family just like I was doing it for mine. May he rest in peace and may God bless you and your family during this difficult time. Again my deepest sympathy.
