“ My baby you are LOVED and missed more than you ever know. I remember this picture I took of you out on the balcony and you said....this robe makes me feel rich. I couldn't STOP laughing, you always brought joy to my life and I miss that very much. You and your brother Juan were not supposed to leave before me. I hurt on a daily basis from missing the both of you. Always and 4ever LOVED, Mom.

Betty, Your Son is now your Angel. Sending prayers to our Heavenly Father that you and Frank will be comforted in this very, very difficult time. I will remember Polly always being mischievous like my Josh and always with a smile on his handsome face. God Bless You and Yours. Ernest and Diane.
