“ I have only the fondest memories of Uncle Paul and Aunt Bobbie.  
Whenever Uncle Paul was coming for a visit, Dad’s good mood  
seemed to lift even higher—he was always so happy to see his  
youngest brother.

*I hope both Uncle Paul and Aunt Bobbie knew how much we  
appreciated their genealogy research. Without their dedication, so  
much of our history would have been lost. Even now, Maggie, Jim,  
and I still pull out the “blue books” whenever we’re talking about  
family and old times.*

*Such wonderful family memories to cherish.
