“ *I loved every minute with you growing up Grandpa, always enjoyed going over to spend time with you and help you. Always enjoyed the jokes we would tell one another, and the laughs we shared and just overall giving each other a hard time because of how much we loved one another. But then you'd tell me "don't love me to much!" And that always made me laugh. I love you Grandpa with all my heart and will never forget the laughs we shared including when you told me to kill a bee on a window and I accidentally broke the window. Will never forget that LOL!! I love you grandpa.*

“ Grandpa, my favorite memory is how you always had gummy bears in the fridge when I visited as a kid and never forgot my birthday. You made sure to leave my present and piñata at my front door and wished me a happy birthday every year. As I got older, you took me to the DMV to get my driver's license and even helped me buy my first car! Living with you for those couple of years made me realize you were there for me during my darkest times. I'll always cherish those memories and the laughs we shared. Thank you for being the best grandpa.

“ *The best grandpa anyone could ask for. I remember living with him when I was smaller and always taking his gold nugget Hershey candy. I think those were some of his favorites. He always made the best BBQs and his lemon meringue pie could never be beat. I still don't know how he got the vanilla to come out the top of the meringue. I will miss you so much grandpa. I love you! ❤️*
