

## Paul John Oldenburg

February 5, 1944 - February 5, 2010

Paul Oldenburg passed away on January 30, 2010 at the age of 65. He was born on July 21, 1944, in Brooklyn, New York. Paul is survived by his beloved wife, Betty Oldenburg, and his brother, Richard Louise, and sister Nancy Lupoli. He served his country honorably and proudly in the Army as a Chemical Staff Specialist and earned a sharpshooter badge. Paul was also a Vietnam Veteran. He settled in San Antonio after serving his country, working as a rarely found honest, and very talented mechanic making hundreds of friends along the way. Paul was so loved by family, friends and neighbors because he left a wonderful impression of what life is and how to live that life victoriously. He was generous to a fault and gave willingly to everyone in whichever manner he could. His passion was golf and helping others; a more humble man would be hard to find. The manner in which Paul would bring humor to whatever challenge he faced was exemplary to all who were privileged to know him. In lieu of flowers, memorial contributions can be made to the American Heart Association.
