“Dad” I am so sorry that I never told you in person how much I still loved you and appreciated your love and acceptance. You are a role model for fathers, father in laws, husbands and grandparents! You were always there at just the right time to lend an ear, a hand, a scolding or a hug. We had wonderful times on the road trips when you would pick us up and take us back to grandma!!! Infinite patience with two little boys who never got tired of playing with grandpa. You loved all of our children unconditionally. The world moves on, but memories stay forever.... and we all have so many, many wonderful memories of times spent with you. Rest In Peace now, love always Jodi

“ Dad, I am VERY proud to be your son. You will never be forgotten Dad. I cannot think of anything other than the good times we had over the years. That will keep us going knowing that in everything we see and hear, we'll think of you. And every time we laugh, you are there laughing with us. Save us a place Dad. We miss you dearly. Love forever and ever, #1 Son, Your Coco.

“ Loving, caring, funny, smart, happy, are just a few words that remind me of the Dad you were to me. You're unconditional love was never ending. Your wisdom and advice was always supportive and encouraging. You and Mom taught me to face life head on, love with all my heart, and don't let anyone push me around. Your light of love shines in my heart and I will see you again one day. I miss you my Care Bear. All my love always, your Schnook

“ *Philippians 1:3 - "I thank my God upon every remembrance of you."*

Tio Paul, you will greatly be missed. I, and I'm sure there will be a lot of us, that will remember the times you and our other great Uncles would take us out on our yearly camping trips. I wish you could have been with us a little bit longer but I'm sure the Lord had a greater calling for you - Charlie and Anne
