“ You were very special from the time we met. Our adventures in Colorado to Germany and small trips all over Europe. Until you left for Desert Storm, things changed. But always at my happiest to see your return. When you returned that final time we were off to California. It was fun but then 3 weeks in the field was ruff. But as you are transitioning to your eternal place of peace. Please keep look down on your beautiful daughters and guide them and their mother, help guide her with those beautiful girls. Watch over your mom and dad, Anthony and Patty and all your nieces and nephews. Laugh often so we can catch that very distinctive lave that you have. Dance and laugh and hug Adam !ndd Mary Carmen. And p.s. if you have time please tell God that it's ok to let me in the Golden Gates so I may see yall again and fly with yall. Love you all. Never far from my thoughts and heart.
