Paula Gleason

Oct. 18, 1951 - May 14, 2016

Those who knew Paula, know that she was a ray of sunshine. Her joy for life transmitted where ever she took her smile and her passion for living was an inspiration to all whom she encountered. Paula was blessed in 2013 to be the recipient of a double lung transplant. Her journey was difficult. Only Paula, with her beautiful, kind spirit could have traveled it with such strength, determination, dignity and grace. She fought the good fight until God's hand touched her - then she slept peacefully. Paula is survived by her dedicated and beloved husband of 35 years, Walter Gleason; 3 children Samantha, Scott, Andrew and his wife Aimee; 4 grandchildren her heart and the apple of Mimi's eye Cameron Conway, Baby Cayden, Lily, and sweet little Quinn. She will be dearly missed by her 5 loving sisters and their husbands Lynda & Ken Leadford, Becky & Chuck Pollock, Donna & CJ Fremin, Talya Hastings, Angel & Kit Goldsbury. Aunt Paula will be missed by her numerous nieces, nephews, cousins and lifelong friends, especially Marty Jackson. The family would like to extend a special thank you to Antonia Villa for all of the loving care that she provided Paula. Thank you to Soledad Contador, our amazing angel. Special thank you to Dr. Debbie Levine, Dr. Luis Angel, their staff, the entire transplant team of doctors, surgeons, nurses and specialists at University Hospital.
