“ *The best memory that I had for my grandmother is no matter what she was always there for me and made multiple visits to Memphis When her and grandpa took a vacation they would always make sure that they came to Tennessee to see her junior and the rest of my family and all the times we got to spend together when crystal and I spent summer vacations with her and when we lived with her and went to school as well. And grandma crystal and I cherished some many memories together when we're with you and grandpa and the rest of the Zimmerman family. And grandma I love you so much and I know your in heaven now looking down and watching all of our family and friends. Grandma and grandpa we love you so much there's not enough words about the Zimmerman family in Tennessee as well love junior and the Zimmerman family*
