“ I had the pleasure of meeting Pauline about 15 years ago. Marian, my mom, came to visit me. Then we went on to visit Pauline for a couple of days. She was such a warm & enjoyable person. I had such a good time with them and seeing the 2 of them laugh & enjoy each other's company. I hope I can have a friendship like theirs in my old age.

“ Pauline & I met on the school bus when we were Freshman in high school. However we didn't actually become close friends until our 60th Class Reunion. My husband had died and Judy and Pauline came to my house after the reunion. After she returned to San Antonio we talked every week-end. I will definitely miss Pauline & our conversations about old times, sayings from when we were kids, memories of Nokomis, our families, etc.

Ernie, I always enjoyed talking to you when you answered until Pauline could get to the phone. I know she really loved all of her family. My sympathy to each of you. May God bless you.

“ *The sparkle of your eyes, the brightness of your smile, the goodness of your soul will always stay in our hearts because you were one gem of person .... Losing you is no doubt a big loss to all of us.... You will always be missed I just know you and my Mom, Elsie Hitsman, are reminiscing and at peace. Love to all, Barbara Wells*

“ *Please accept my sincerest condolences to the family of Mrs. Pauline Browning. I have had the pleasure of caring for Mrs. Browning for so many years, as her ophthalmologist. From her very first visit, my staff and I were struck by her very kind demeanor, soft spoken manner and yes, even her understated sense of humour. What a gentle lady! We were fortunate to visit with her every few months or so, but what a genuine treasure the Browning extended family must have enjoyed to have her in your lives every day. Please accept our condolences for your loss. We miss her already. Sincerely, Richard A. Rodriguez M.D.*
