

Pauline Maurice Walker

March 17, 1928 - February 8, 2012

Pauline Walker, age 83, of San Antonio, went to be with the Lord on Wednesday the 8th of February. She was a blessing to so many friends and family, and touched many lives with her kindness, generosity, and love for the Lord. We are grateful for the time we had with her while she was with us and are happy that she is in her eternal home in heaven, however we will miss her deeply. Upon her graduation from Iola High School, she went on to graduate from McKenzie-Baldwin Business College, and later attended Hardin Simmons University. She enjoyed a successful career in business and real estate, and co-founded Walker Advertising with her husband Dan Walker in 1973. Walker Advertising will be forever grateful for her support to her husband Dan as they founded and grew a company that has blessed the lives of many. She is preceded in death by her husband Dan Walker, and is survived by their children Marc, Rod Rebecca, Greg Debbie, Cheryl, and Jeff Kristi. She is further survived by numerous nieces, nephews, and grandchildren.
