“ One thing that I'll never forget about my aunt Pearl; she would always make sure that my brothers and I were fed. It didn't matter the time of day. Pearl would call me or if I was outside; she would invite me over to come eat or pick up some food. Unfortunately, I know during holidays, events and other gatherings...I was never around since I was always working, but I am grateful that Pearl never once forgot about me and I am forever thankful to call you my aunt. I will miss you so much and will cherish these acts of kindness forever. You will be missed. Rest easy.

Please know that you all are in my thoughts and prayers during this time.

*Yours truly,
Jacob G*

“ My deepest condolences and prayers go out to the Rodriguez family. I had the pleasure of working with Pearl for over 4 years and it was truly a pleasure to work with such a friendly and caring person. I will always remember Pearl as a world traveler and a person that loved to cruise. We had many conversations that centered around her travels and where she was cruising too next. She will truly be missed.

“ I want to start of by letting my family know that as for many of you know who knew our beautiful, feisty aunt(sister) Pearl, her diva-like behavior was intolerable at times. But in the family home, we managed Pearl(Perla) as a very honest person who wore her emotions on her sleeve. If we asked her a direct question, she gave a direct answer. Most importantly to me, I know that my Aunt was not perfect, but who in this world really is? What I can say is in my own words is that my Aunt was perfectly herself – the warrior, the teacher, and a woman of great integrity. For that, I am ever grateful. I am honored to be your niece(sister), and I love you with all my heart. I wish I could of told you that and no matter during the times of difficulty we had this past year, the love for you was and still is, here for you. May the angels keep you safe, (Mom, Dad & Diane) and you give the angels some peace now and again. Rest in peace Pearl.
Forever, Unconditionally Love for you always,

“ *Thank you Pearl for showing me that no matter what background, education, or experience you may have or come from, if you believe in yourself...you can do big things in life. You were a proven fact of that and this has been the biggest lesson you have taught me in life. You are an inspiration to me and will continue too. Tia Pearl, May you rest in peace. All of my thoughts and prayers are with all of you. My condolences.*

*With love and respect,

“ Pearl was a friend for over 2 decades as we worked at Kelly for close to 30 years together. She was there a few years before me, so she worked a bit longer than I did. We were only 6 days apart in age and sometimes shared our birthdays at work. (We were so close to being twins.) I think that's why we got along so well. She was so caring and loved her family very much. She loved to travel every chance she got. Especially cruising. A very devoted Christian. Our friend will be truly missed. You will always be in our hearts. Heaven has surely gained an angel. Until we meet again my friend... Love, Cyndee
