

Pedro Martinez Aleman

July 1, 1953 - September 23, 2021

Pedro Martinez Aleman was born on July 1, 1953, to his late mother and father Celia Martinez and Ventura Aleman. He was the third oldest of nine siblings. Pedro went to be with the Lord on September 23, 2021, at the age of 68.

My sweet husband, he was the love of my life, and I will always love him. He believed in God and his faith was so strong. He was kind, polite, and lots of fun. He was so mature from the very beginning. He was very responsible and a hard worker. He was a good provider. He was so considerate. He was the most selfless man I have ever met. He was very generous. He would think of other's first before he thought of himself. He would treat everyone with dignity and respect. He was really genuine. He was funny and smart. He was a good father. He told me once that when our children were babies, he would rush home after work because all he wanted was to see them. Pedro and I were highly active and involved in Encuentro Matrimonial Mundial. We retired after almost 19 years. Our commitment to Encuentro Matrimonial Mundial took us to retreats all over the U.S. and Mexico. We had a good life. Thank God! Our faith grew stronger, and our relationship grew as well. Our children were and still are so great. Our grandchildren became the loves of our lives. Especially, more so, in Pedro. And so, Pedro had to battle cancer. When we talked, he said that he was grateful to God for 2 years and if this was his time then it was his time. After 13 days in the hospital, he went quietly and peacefully. I will

always love my sweet husband.

– Hilda Aleman

“ *When I meant my husband, I did not know what I needed. God knew. I meant my in laws and I fell in love. My father-in-law was easy going, the life of the party. His voice was naturally loud. If you went to visit he had to feed you. Always making you laugh, a happy person. He put cilantro on everything. He'd bar-b-que for no reason. If we needed him, he would show up as soon as he could. He drove for a living on top of all the other things he did. He loved his family. He wasn't afraid of talking to them and sharing his opinion. He was the man that showed my husband how to be a proud father, my husband in turn taught my son and my son is teaching my grandson. A lot of example goes into this. My husband is a hardworking, caring person. Everyday I am so grateful to have him. He reminds me a lot of my father-in-law. He had the best teacher. All his sons are special dads. It's really special in this day and age. This is a great loss. We love you dad, we will see you someday and will carry on your traditions.*
