“ You are now our guardian angel. Days, weeks, months, and years will pass, but our memories of our sister stand still in our hearts. We are blessed to call you sister, we also call you our friend; You've shared joys and sorrows, our laughter and our tears. You've been our inspiration,  
As we grew up through the years. When we were little children, we laughed and played together;  
Then growing up you stood by us, we still laughed and have fun together playing games or taking trips.  
Peggy is someone who loves you from the heart. Once she enters your life, she is there to stay. A companion to whom you can express your feelings, talk about anything. She doesn't let you get bored at family gatherings. She always helps you with a smile and never frowns we will always find something to laugh about and to enjoy life. We're sisters for life, we promised. Love Debbie, Karen & Sharon.
