“ I have so many wonderful memories of Peggy. I sat behind her and Ray in church for years and always enjoyed talking with her. May all of you be surrounded with love as you get used to this world without her physical presence.

“ My memories of Peggy Denison are of a compassionate devoted mother and wife, careful to take the time to listen and more important, love and cherish her children and husband. We Sotoodeh's were neighbors and although we were involved on our own world growing up, we made friends with Patrick and his sisters. It's always hard to say goodbye to someone, especially one that occupied a special place in your upbringing. I encourage everyone to join us in honoring Peggy's legacy of truth and courage no matter what the situation. On behalf of the Sotoodeh family, we send our prayers and comfort to the family. Know that she made a difference in many lives. That's the way love works, tirelessly, without condition or expiation. God bless Peggy Denison and God bless her family.

Sincerely,

Larry Sotoodeh
