“ I was so sorry to read of Penny's passing. We were classmates all through school, but unfortunately, lost touch. Was fortunate to catch up with her the last few reunions we had. What a joyful, cheerful person, always upbeat and fun. RIP Penny, until we meet in heaven!

“ *So sorry to learn Penny has gone on before us. She was a real friend, even though we may not have talked in years, when we saw one another it was as if the time stood still. Penny will be missed by so many. I will continue praying for her family, God Bless each of you always.*

“ *Every moment shared with you mom was a good memory to share. I can not believe you are gone. A memory I could share of laughter was when we went skiing for the first time and I just couldn't get it down so I decided to buy a disc and just go down the hill. You decided to join me. You had the smart idea of video taping me as I came down and I plowed into you like a bowling ball. A memory of love was sharing my moment of giving birth to my two beautiful daughters. A memory of pain was losing dad and watching you hurt. The best memory of all was having you as a mother and I will forever cherish you in my heart. I love you so much and miss you. RIP until I see you again❤️*
