During these unprecedented times because of COVID-19, it was nice to have the live video of the rosary and mass for those who were not able to attend in person. I'm so grateful I could attend virtually from Los Angeles. Perfect will be in my heart always. Sending prayers and love to Camille and family. We have a beautiful Angel who will be watching over us until we see her again.

*Sincerely,
Stephanie*

“ Jack and Regina are going miss you soooo much. We always went to Perfecta almost every weekend, when we first meet. She was adventurous and like to have fun. We would go watch Perfecta play softball, always doing something. I admired her determination on getting her degrees. Perfecta was a loving, kind and awesome person and now has her Angel wings and is resting in the beautiful heavens.

“ Perfecta, you are an amazing sister. I will miss our memories of growing up together during hard times, working in the fields as migrant workers. Your great accomplishments of receiving a Masters Degree in Computer Science and retiring from USAA made me so proud of you. You brought joy to so many friends and family members. I will love you forever. Joe

Camille and Perfect's siblings, my most sincere condolences. I will miss my Comadre and Best friend. We go way back when she started working at USAA. She was a very hard worker and always there when she was needed. I will cherish all of my most fond memories of her. A great mother and best friend to my goddaughter, Camille. My late husband, Emilio, affectionately called Camille his little meno, when she would spend summer days swimming. Most happiest times when she would join my daughters and her Padrinos camping. Such great fun Mija. I know that Perfect and Emilio will be keeping an eye on us from their heavenly place. Mija, Stephanie and I will be here for you for what ever you need. We love you and also loved your mom. Blessings to all. Pete thank you for all you did for Perfect. You were always there for her. ❤️ Mary Lou Tovar
