“ I'm very sad to hear about Perry's passing. He and I worked together in the Air Force in both a military and civilian capacity. I have many fond memories from my association with Perry. He was one of the nicest people I've ever known and always a pleasure to be around. My condolences to the family. Rest in peace Chief.

“ Chief Rainey was a great Patriot and a leader. Many a young airmen who served with the Chief went on to have successful careers thanks to the Chief's "guidance" & intervention in their yearly years. RIP Chief, you've earned.

“ Chief Rainey was a great mentor and friend...the best supervisor I've had. In fact, he was the "go to guy" for his subordinates and superiors alike. Everyone respected him, he was a man of his word. Perry was also a kind and gentle man who was always there to lend a hand. I will miss the twinkle in his eyes and his playful grin, always quick with a joke.

Farewell buddy - I hope we meet again.

“ Chief Rainey was one of finest leaders I've had the pleasure to follow. His leadership during the early entry of Rivet Joint Block III was instrumental in the program's success. He cared deeply for Airborne Maintenance Technicians. This country owes a great deal to this man that headed LGMA for over twenty years. A kind man with a huge heart. I'll miss him.

“ I have known Perry since 1965 when he returned to service in the Air Force. We met at McCoy AFB where he worked for me. We reconnected in 1981 on Security Hill and worked together for 7 years. Perry graciously agreed to be a pallbearer at my daughters funeral in 1982.

I always like and admired Perry. He was a man of integrity and honor. It is with deepest regrets that I note his death.

To his family I send my deepest condolences on the passing of a good and kindly man.

This world has lost a great man. An honest and sincere man, Perry was respected by all. For this reason, I strongly recommended that he replace me as Chief of LGMSA when I retired. The office was a much better place when he took over.

Perry (PROUDLY SERVED GOD AND COUNTRY) and will be missed by all.

Chief Rainey was a wonderful friend and a great leader. He always had time to talk with you, very generous and caring to all. We have many great memories of Chief Rainey and will never forget any of them. Throughout the years we had many birthdays together, to many to mention. He will be deeply missed but never forgotten.
