“ Our deepest condolences to the Garcia family, From Eugene and Charlotte Uriegas.
The gas station was our hangout growing up in Somerset. Those who hung out their at night all knew to keep it straight while we hung out and Pete would sometimes show up which I'm sure was too make sure we agreed right. I was young then but looking back at it I cherish those memories of hanging out and just being teenagers after a cruise down military. Mr. Pete Garcia knew my family very well and it was where I was sent to buy cigarettes and beer for my dad when life was simpler (not of age) LOL. This is also the place where I met my wife and I'm sure a few others met that special person.
