“ I will always remember how special Pete made me feel. I stayed with them for a week or two during the summers when I was in middle school. I was always impressed with how he treated Judy. They were a wonderful example of love and devotion. I remember Petes lack of enthusiasm when Judy became pregnant, but his absolute joy and pride when his boys were born. He was a wonderful father. Hearing stories later of their involvement with the youth at their church was inspiring. He loved going to camp. Family was very important to him. I regret that I didn't get to see Pete before he passed, but I'm sure I'll see him again someday. He was a great husband, father, friend, son, and brother.

“ Dear Judy,

I am so very sorry for your great loss. May God strenghten and uphold you during this difficult time.

I had the great privilege of working with you at Region 20 in the late 70's and I want to thank you for all the love you shared with all of us when you worked there. It really felt like we were a family.

Thinking of you with love and prayers at this time of loss.

“ I have the fondest memories of Pete as well as Judy. When my daughter was at Colonial Hills United Methodist daycare and church program the Castleberry's were always there to support Blake as well as the the other kids. They were marvelous chaperones. One knew things would be fine when Pete and Judy were there. RIP Pete. Blessings and prayers to all. Sincerely, Clay G Berry
