“ Our sincerest condolences to you Mel and all your family. Abby and I were glad we got to see our good friend Pete one last time at the funeral home. We miss him and our friendship with you. He did so much for us old guys who worked with him at VIA Transit by making arrangements to throw me and Mr. Kim retirement parties when we left the company. We will never forget his kind gestures and caring for his friends and family. Pete never forgot about us after we retired from VIA. He would always call to invite us for get together dinner outings with the VIA Storeroom crew and other employees and friends. We miss the good times we shared at those dinner outings. Abby and I pray that our Lord will comfort and heal you Mel and all your family during this difficult time. May our good friend Pete Rest in Peace!

“Pete had such a sweet disposition and was so hard working . You could always see him working on the neighbors yards, fixing his favorite car or generally waving to the friends and family he had around the neighborhood. As his neighbor we were lucky to have known him he was very generous. Our sincere condolences to Imelda, Crystal, and Michael and the extended family. Rest in peace brother Pete.

Both were always kind and Imelda always smiling. We pray your smile will come back soon when you remember all the wonderful memories of Pete. My parents Willie C. And Olivia Guzman (live on West Formosa) also send their condolences. We will all keep you all in prayer. May he rest in peace.

“ *I knew Pete when we were both a bit younger. My Dad owned Perez Gulf Service on Houston Street. My Dad use to drive me to school so I had to get up very early. I always looked forward to seeing Pete when he worked there because he made me laugh even when I was tired.*

My Dad was proud of him and the hard work he showed.

I am truly saddened by Pete's passing. But I know he is making my Dad laugh all over again.

Thank you for the fun moments.
