

Phyllis Mary Flint

December 17, 1925 - February 20, 2025

Phyllis Mary Flint (nee Karrer) joined the Great Vast on February 20, 2025. She was born in New Braunfels, Texas, on December 17, 1925, as one of seven siblings, and lived all her 99 years within 50 miles of her birthplace.

She made quiet good in the world, through her cooking, her handiwork, her volunteerism, and her civic duty. And she made raucous joy, as well, playing cards and dominoes, hosting family events, and arguing with her siblings about where the ice box stood in her childhood home.

Phyllis is survived by her daughter, Jodie Flint and Jodie's partner, Jane Saunders; her daughter-by-choice, Debbie Ponce; and numerous nieces and nephews. Her son, Mark Roberson, preceded her in death.

Phyllis lived a wonderful, long life full of purpose. She loved her family fiercely and lived her Christian tenets daily. We will miss her, and we are relieved that she found her way home.

We would like to thank the staff at Elan Westpointe Assisted Living for the care, kindness, and safety they provided her these past few years. And we are indebted to the wonderful professionals at Bridgeway Hospice for helping us all during her transition.

In lieu of flowers, please consider a donation in her honor to United Methodist

Women. Make checks payable to UMW with a note, "Memorial for Phyllis Flint" on the memo line. Donations can be mailed to:
