“ *The best dancer known in our youth. In my younger years, she was the one who taught me how to dance without stepping on my partner's feet. Beautiful memories of all those wonderful times which I was so lucky to share with her.*

“ I love you so much Momo. I'll always remember you when I see a yellow rose and when Im telling stories about you I'll always smile to know that you would be too. I'm sad to let you go but I'm happy that you're with Popo now. I miss you so much already.
