

## Polly Kay Stanley

December 21, 1959 - May 9, 2025

Polly Kay Stanley, age 65, passed away peacefully on May 9, 2025, at her home in Topeka, Kansas. Polly left this world as she lived in it- quietly, without fuss or drama. Known for her gentle strength and spirit, she was a devoted mother, loving nana, loyal sister, and supportive aunt. Polly had a lifelong passion for movies like Urban Cowboy and Pure Country and music like The Beatles, Bob Seger, Stevie Nicks, John Anderson and Bon Jovi. She never sought the spotlight, yet she left a lasting impact on everyone fortunate enough to know her.

Her work ethic was beyond measure. She was someone who could ease your worries or lift your spirits with a single word. Polly showed the world that you don't have to be loud to be heard, and that even the shyest hearts can leave the deepest mark. Her absence will be deeply felt, but her love and presence will remain with her family always. Rest easy, your family loves you dearly, we will carry you with us until we see you again.

Polly is survived by her children: Julie Johnson, Bubba (Lewis) Jeffery, Robert Jeffery, Stephanie Jeffery. Her siblings: Linday Stanley and Phil Stanley. Her grandchildren: Bella, Isaiah, Gino, Gia, Floyd, Ezekiel, Stacey, and Miley. Great-grandchildren: Evanna, Melania, Sebastian, and Vincenzo along with multiple nieces, nephews, and cousins. She is preceded in death by her parents Chinney and Frances Stanley, her daughter Alicia Kay Jeffery, and

grandson Lewis Valley Jeffery Jr.

“ *Polly I can't believe you are gone, yes you were quiet...to everyone else but to me you were funny, loyal full of stories and also outspoken. I don't think that I have ever had more fun with anyone else, so many memories, sleepovers on Ley rd., mushroom soup and rice. im so sorry that we didn't get to spend much time together later on in life. I love you the same today as I always have and always will .Polly Kay rest easy ❤️*

“ *Patience was Polly's absolute strongest part of her character. A loving wife and mother. She made the best mustard steak, the absolute BEST brownies and peach cobbler. Yes, she was quiet, always considerate and giving. Until we meet again sister-n law, rest in peace .*

“ Aunt Polly is my mother in law and I love her very much no we did not talk ever day or see everyday but she was and still is one of my biggest encouragers it seemed like she knew exactly when to call me and it was never a big over the top words but her soft voice and gentle spirit would always comfort and uplift. She never forgot a birthday a holiday she always made sure to call the kids. And honestly I don't think I could have ever potty trained my oldest boy without her she had such patience I know that sounds crazy but it has been something that has stuck with me through the years I have or never will forgot that we laughed, screamed all the above during that time. She came and stayed with us during that summer and I truly cherish it . Love you always and we will miss you ❤️

“ Aunt Polly you will be missed greatly! I could always call you and ask you anything from cooking to raising kids. You were always the most honest person in the room and gave me the best advice even when I didn't know I needed it. I heard time passes slower in heaven than it does on earth. Save room for me! Love you immensely your niece Bonnie Jo.
